SALES-LIST (W)

of available Web-Offset-Presses and Ancillary Equipment

November 15th. 2010

(All mentioned items are our own, in our stock and immediately available; please ask for detailed description and pictures)

Coldset-Web-Offset-Presses I

1 ALBERT „A 200 S” - made in 1996 - Serial-No. 31696 - 6.500 running-hours only, still in the printing-plant,

Ref.: S-002-GButz. 3 integrated reel-stands, 3 Y-printing-units for **630 mm cut-off**, 1 folder, 1 RECMI-Stacker,
€ 50.000,- ex location, „as is and where is“

1 ALBERT „A 200 S” - made in 1988 - Com.-No. 212124 - still in the printing-plant, still in printing-condition

Ref.: S-003-WaLa. 1 MARTIN-autopaster, 4 I-printing-units for **630 mm cut-off**, 1 de Vriess-IR-dryer,
1 chill-roller-stand, 1 folder especially prepared for double-parallel, 1 CIVIEMME-Stacker,
€ 75.000,- ex location, „as is“ (excellent condition) and „where is“

1 ALBERT „A 200 S“ - Y-imprinter, suitable to any “A 200”- or “A 200 S”-I-unit

Ref.: S-019-Montec. € 2.000,- ex warehouse, „cleaned and checked“, load on truck

1 SOLNA „Distributor D 300“ - made in 1994 - very good condition, technical standard 2000, immediately available

Ref.: S-021-WitFor. 3 Y- and 2 I-printing-units, 1 folder for 5webs,
all units for 965 (1.000) mm web-width / **630 mm cut-off**
5 integrated reel-stands, spray-dampening, ink-level for black ink
€ 70.000,- ex printing-plant, „as is and where is“
PrePress- and PostPress-Equipment for this press is available, too.

1 SOLNA „Circulator“ - made in 1994 – still in the printing-plant, immediately available

Ref.: S-022-DerPriB. 2 Y- and 2 I-printing-units, 1 folder for 5webs,
all units for 965 (1.000) mm web-width / **578 mm cut-off**
3 integrated reel-stands, standard-dampening, grease-lubrication
€ 40.000,- ex printing-plant, „as is and where is“

Ask for detailed descriptions and pictures !

Coldset-Web-Offset-Presses II

1 WEYLAND „MFR“ - made in 1991 - Serial-No. 720489 - immediately available - perfect condition

Ref.: **S-001-GGeh.** 7 reel-stands, 4+5-blanket-to-blanket- and 2 blanket-to-steel-printing-units
all units for 700 mm web-width / **520 mm cut-off**, - 1 folder for broadsheet and tabloid
€ 20.000,- ex warehouse, „cleaned and checked“, load on truck

1 KBA „COMPACTA C 30“ - made in 1979 - used condition - immediately available

Ref.: **S-003-GGeh.** 1 M.E.G.-paster „D 400“, 4 blanket-to-blanket-printing-units for 965 mm web-width / **630 mm cut-off**,
1 KF-folder 32 + 1 spare-folder (heatset-package available, too)
€ 25.000,- ex warehouse „as is“, load on truck

1 M.A.N. „COLORMAN 35“ - first installation 1985, extended **2002** - still in the printing-plant and still printing

Ref.: **S-156-GouLü.** 4 + **1** pasters , reel-diameter 115/**125** cm
4 printing-tower 2/2-colours, **1 add-on-tower 4/4 colours** (1.400 mm web-width / **2x510 mm cut-off**)
1 + **1** folder “FZK 80” (2:3:4), each with 2 angle-bars etc,
€195.000,- ex printing-plant, „as is and where is“
(mailroom-equipment is available for additional price)

It is possible to buy the 2002-components seperately to run only the 4-high-tower with one folder!

Semi-Commercial-Web-Offset-Presses I

1 KOEBAU „COMPACTA C 30“ - made in 1979 - real good condition - immediately available

Ref.: **S-003-GGeh.** 1 M.E.G.-paster „D400“, 4 printing-units for 965 mm web-width and / **630 mm cut-off**,
Ref.: **S-003A-Schla.** (4 additional printing-units available)
1 M.E.G.-„FLEXAIR“-dryer, 1 KF 32-folder (second folder available - additional price)
€ 35.000,- ex warehouse „as is“, load on truck

Other Coldset- or Semi-Commercial-presses on request

Heatset-Web-Offset-Presses I

1 ZIRKON „RO 66/III“ - made in 1980 - Serial-No. 1289/90/91/92 - already dismantled on stock
Ref.: S-002-SchLaL. 1 AMAL-splicer, 1 infeed-unit, 4 printing-units for 660 mm web-width / **452 mm cut-off**,
1 BUTAB-hotair-dryer 4.5 m, 1 folder + stacker or compensating-stacker
€ 45.000,- ex location, „as is and where is“

1 ZIRKON „SUPRA 660“ - details on request

1 M.A.N. „OCTOMAN“ made in 1987 - Serial-No. 267..... - still in production
Ref.: S-111-KayMel. 1 STORK-splicer, 1 infeed-unit, 4 printing-units for 660 mm web-width / **452 mm cut-off**,
1 VITS-hotair-dryer 6 m, 1 flexo-imprinter, 1 folder + BALDWIN-double-stream-stacker
on request ex location, „as is and where is“

Separate OCTOMAN-components available to expand an existing press or for spare-parts

1 ALBERT „A 101 S“ made in 1989 - still in the printing-plant, but immediately available
Ref.: S-112-DrSin. 1 BUTLER-splicer, 1 infeed-unit, 1 flying-imprinter + 4 blanket-to-blanket-printing-units
all for 660 mm web-width / **444 mm cut-off**,
with alcohol-dampeners incl. TECHNOTRANS-refrigerated circulator, register-remote-control
1 „M.E.G.“-dryer 8 m, 1 folders with angle-bars and cross-glueing-device, folding A4/A5-products
on request ex location, „as is and where is“

2 HEIDELBERG „WEB 8“ - details on request

1 AURAMO - „Paper-Reel-Clamp“ - suitable nearly to any Fork-Lift

Ref.: S-017-Vorarl. Serial-No. 106661 - made in 1994 - hardly used
hydraulically activated (16 MPa) - capable of carrying 1.300 kg ,
€ 3.950,- load on truck

Heatset-Web-Offset-Presses II

1 SOLNA „C 96“ made in 1994 - Serial-No. 394/1008+1110-1112 - acceptable technical condition - still in the printing-plant
Ref.: S-303-WupSta. 1 ENKEL-paster „P 925“, 1 ENKEL-infeed-unit, 4 printing-units 965 mm web-width / **630 mm cut-off**,
with DAHLGREN-dampening and BALDWIN-refrigerated-circulator,
1 M.E.G.-„Air 50“-dryer, 1 M.E.G.-chill-roller-stand, 1 SOLNA-folder „F 96“
€ 85.000,- ex printing-plant „as is and where is“
Flexo-imprinting-unit available as well as coating-unit in front of the dryer, after-burner, too.
Lot of spare-parts, even complete printing-units, available,

1 M.A.N. „ROTOMAN C“ - made in 1989 - still in the printing-plant, still wired, excellent technical and optical condition
Ref.: S-112-RoeRhe. 1 CONTIWEB-splicer, 4 printing-units for **630 mm cut-off**, with alcohol-dampeners, ink-remote-control
1 TEC „Eurotec II“-dryer 9 m, 1 folder for A3, A4, double-parallel- and delta-fold, sound-absorber-wall
1 P&M-afterburner 4000 Ncbm (made in 2001), 1 SULZER-cold-water-station
€360.000,- ex location, „as is and where is“
This is a complete press-line, starting with the transformer-station and ending up with an afterburner and a rotary-trimming-line with compensating-stacker.

1 KOEBAU „COMPACTA C 30“ - made in 1979 - real good condition - immediately available
Ref.: S-003-GGeh. 1 M.E.G.-paster „D400“, 4 printing-units for 965 mm web-width and **630 mm cut-off**,
Ref.: S-003A-Schla. (4 additional printing-units available)
1 M.E.G.-„FLEXAIR“-dryer, 1 KF 32-folder (second folder available - additional price)
€ 39.500,- ex warehouse „as is“, load on truck

1 KBA „C 216“ - made in 1996 - rebuilt in 2002 - excellent technical condition
Ref.: L-106-MHV-Bu. 1 M.E.G.-paster „DLC“, 4 printing-units for 965 mm web-width and **630 mm cut-off**,
1 M.E.G.-dryer „STRATOS 105“ - 11 m length with integrated afterburner,
1 chill-roller-unit with 5 chilling-cylinders incl. AXIMA-chilling-center,
TECHNOTRANS-container-ink-pumping-station with 8 pumps (B- and C-inks)
1 folder „AF 32“ with folder-substructure (incl. modules A, B, C, D, E, F+G)
and plow-folder as well as perforating- and die-cutting-device
€ on request ex location, „as is and where is“
Different auxillary equipment, such as FERAG-trimming-drum, stackers
and complete PrePress-department (**that means a complete commercial printing-plant**) available, too.

A lot of other Heatset-Presses on request

Reel-Stands and Automatic-Pasters and -Splicers

on request

Infeeds, Web Guides, Silicone-Applicators, Imprinters etc.

2 FIFE-Web-Aligners „OPG-LRB“ - Serial-No. 4804 / 59090-20 -for 80 cm web-width, like new	each €	1.000,--
1 RYCO-Silicon-Applicator for 100 cm web width, very good condition, like new	€	3.000,--

Folders, Folder-Accessories and Sheeters

1 SERAMO-Rewinder for 100 cm web width, 420 m/min, like new (ex POLYMAN)	€	best offer
--	---	------------

Register-Puncher and Plate-Benders

1 „M+A“-Plate-Puncher suitable to MAN-„POLYMAN“-press with 630 mm cut-off - Serial-Nr.	€	7.500,--
1 manual Plate-Bender suitable to MAN-„POLYMAN“-press with 630 mm cut-off - Serial-Nr. 27242/1992	€	9.500,--
1 automatic Plate-Bender for a MAN-„POLYMAN“-press with 630 mm cut-off - Serial-Nr. 27430/1996	€	12.500,--
1 Plate-Bender suitable to ALBERT-„A 101“-press with 452 mm cut-off	€	2.500,--
1 Plate-Bender suitable to ALBERT-„A 200/A200 S“-press with 630 mm cut-off	€	3.500,--
1 Set of Plate-Puncher + Plate-Bender suitable to KBA „EXPRESS“ with 520 mm cut-off	€	4.000,--
1 Plate-Puncher „2B - CORAL“ suitable to a WIFAG-press with 520 mm cut-off	€	1.000,--
1 Plate-Bender suitable to a WIFAG-press with 520 cut-off	€	1.000,--

Other Register-Puncher and other Plate-Benders, on request

Compressors, Blowers and Vaccum-Pumps

1 KAESER-Screw-Compressor „AS 35“ - made in 1998, real good condition (in use)		
Ref.: S-1212-Forch. motor: 20 kW - capacity: 2,75 cbm/min. with 10 bar - incl. air-dryer „ASD 37 T“	€	3.500,--
1 KAESER-Screw-Compressor „AS 31“ - made in 1999, very good condition (in use)		
Ref.: S-1213-Augs. motor: 18 kW - capacity: 2,5 cbm/min. with 10 bar - incl. air-dryer	€	4.000,--
1 BOGE-Screw-Compressor „S 8“ - made around 1997, less than 8.400 hours, good condition		
Ref.: S-1214-Augs. motor: 5,5 kW - capacity: 0,8 cbm/min. with 8 bar	€	2.000,--

Web-Offset-Presses „Miscellaneous“

1 BUTAB-Hotair-Dryer - Type: „cleanair“ - ca. 3.500 mm length, max. web-width 720 mm

Ref.: **S-010-GVetR.** „as is - excellent condition“ ex warehouse, load on truck € 6.500,--

BVS-IR-Dryer - max. web-width 800 mm

Ref.: **S-001-Koeb.** „as is - excellent condition, like new“ ex warehouse, load on truck € 5.000,--

Ref.: **S-195-GAugs. Semi-Automatic Waste-Paper-Unwinder 700 mm / 1000 mm/ 1.400 mm width**

to wind-off remaining white paper from the core of a used paper-reel each € 2.000,--

Ref.: **S-199-GAugs. YORK-Water-Chiller**

to prepare cold water for the chillrollers „as is“ € 3.500,--

Ref.: **S-299-GAugs. BVS-Ink-Level-System „auto-fill“**

different possibilities € 2.500,--

Please ask us for used or new LINCOLN-ink-pumps and LINCOLN-ink-level-systems, too!

1 AURAMO - „Paper-Reel-Clamp“ - suitable nearly to any Fork-Lift

Ref.: **S-017-Vorarl.** Serial-No. 106661 - made in 1994 - hardly used
hydraulically activated (16 MPa) - capable of carrying 1.300 kg ,
€ 3.950,-- load on truck

In-Line-Trimming-Units and -Trimming-Lines I

1 GÄMMERLER - Trimming-Unit „RS 092/530“ - made in 1987 - Serial-No. 396 - A 1098/01

Ref.: **S-111-BendK.** for 8/16-pages-signatures

infeed-belt integrated in bump-turn-unit „1530“ - Serial-No. 407 - A 1264-01

moving the shingle-stream to the right (870998/3)

one (1) trimming-module with joggers and with one (1) rotating knife (left)

ex warehouse, „rebuilt, excellent condition“, load on truck

€ 6.000,-

1 GÄMMERLER - Trimming-Unit „RS 114/530“ - made 12/1999 - Serial-No. 1823/0 - A 1265

Ref.: **S-211-LaWan.** for 16/32-pages-signatures

one (1) trimming-module with joggers and with two (2) segmented knives (24)

ex warehouse, „rebuilt, very good condition“, load on truck

€ 11.000,-

1 GÄMMERLER - Trimming-Unit „RS 133/530“ - made 04/96 - Serial-No. 538 - A 2704

Ref.: **S-212-Forch.** for 16/32-pages-signatures

one (1) trimming-module with joggers and with two (2) segmented knives (26)

ex printing-house, „as is, good working condition“, load on truck

€ 14.000,-

1 GÄMMERLER - Trimming-Line „RS 113/530“ - made in 1990 - Serial-No. 2679/611 + 621 - A 3248

Ref.: **S-213-Ung.** for 16/32-pages-signatures

infeed-belt with joggers (if necessary with pressing-rollers)

both trimming-modules with two (2) segmented knives,

connected to each other by a bump-turn „1530“ - to the right or to the left

ex warehouse, „rebuilt“, load on truck

€ 35.000,-

1 GÄMMERLER - Bump-Turn/90°-Belt-Curve-Combination (R) - Type: „1534“ - Serial-No. 034/604 - A 2775

Ref.: **S-0006-Augs.** either moving the signatures rectangular (upper level)

or just turning it 90° (lower level) - moving to the right

ex warehouse, completely rebuilt, load on truck

€ 9.500,-

1 GÄMMERLER-Middle-Cut-Unit available on request !!!

More GÄMMERLER-Rotary-Trimmers, -Conveyors, -Bump-Turns, -Curves etc. on request !

In-Line-Trimming-Units and -Trimming-Lines II

1 AMG Rotary-Trimming-Module „RS 2000” - made in 2005, **brand-new**, only used for tests

Ref.: **S**-555-GAugs. for 48- and 64-pages-signatures

trimming-module with 2 rotating knives, each knife separately driven

ex warehouse, brand new, with warranty, load on truck

(bump-turns and 2. module available, too)

This trimming-module is identical with ROTA or RIMA or CIVIEMME
and can be used in combination with such units.

only **€ 20.000,-**

1 MÜLLER MARTINI Rotary-Trimming-Line „341” - made approx. 1988

Ref.: **S**-333-KepMei.for 32-/48- and 64-pages-signatures

both trimming-modules with 2 segmented knives, each knife separately driven,

both trimming-modules connected with one bump-turn-unit

with knife-changing-equipment for both moduls

with re-sharpening-equipment for the segmented knives

ex warehouse, completely rebuilt, with warranty, load on truck

€ 27.500,-

1 MÜLLER MARTINI Rotary-Trimming-Line „341” - Serial-No. 91.00218 - made approx. 1995

Ref.: **S**-334-LaWan.for 32-/48- and 64-pages-signatures

both trimming-modules with 2 segmented knives, each knife separately driven,

both trimming-modules connected with one bump-turn-unit

with knife-changing-equipment for both moduls

with re-sharpening-equipment for the segmented knives

ex warehouse, cleaned and checked, with warranty, load on truck

€ 30.000,-

or „as is“ Euro 15.000,-

1 MÜLLER MARTINI - Bump-Turn/90°-Belt-Curve-Combination (L) - made in 1999

Ref.: **S**-0004-Staats. either moving the signatures rectangular (upper level) - Type: 0366.0400-No.MMZO 145946

or just turning it 90° (lower level) - Type: 6248-No.53348 - moving to the left

ex warehouse, as is, load on truck

€ 3.500,-

In-Line-Trimming-Units and -Trimming-Lines III

1 GÄMMERLER - belt-conveyor - Type: „ES 014“- Serial-No 416/1298, Order-No. A 5989 - completely rebuilt

Ref.: **S**-0001-Augs. with squeezing-rollers and joggers

with its own motor and electrical-control-console

ex warehouse, load on truck

€ 4.000,-

4 GÄMMERLER - 90°-curve-conveyor - completely rebuilt

Ref.: **S**-0002-Augs. belt-width 600 mm, either feeding to the right or the left side

with its own motor and electrical-control-console

ex warehouse, load on truck

each € 2.800,-

1 GÄMMERLER - Bump-Turn - Type: „1530“ - Serial-No. 407 / Order-No. A1264-01

Ref.: **S**-0004-Augs. completely rebuilt, either feeding to the right or the left side

with its own motor and electrical-control-console

ex warehouse, load on truck

€ 4.000,-

1 GÄMMERLER - Bump-Turn - Type: „EM 110“ - like new + **Type: „EM 110“**

Ref.: **S**-0005-Augs. either feeding to the right or the left side

with its own motor and electrical-control-console

ex warehouse, load on truck

€ 5.500,-

1 GÄMMERLER - Bump-Turn - Type: „EM 120“ - completely rebuilt, Serial-No. 1855/0 - A 1265

Ref.: **S**-0005-LaWan. either feeding to the right or the left side

with its own motor and electrical-control-console

ex warehouse, load on truck

€ 6.000,-

2 GÄMMERLER - Bump-Turn/90°-Belt-Curve-Combination (R) - Type: „1534“ - Serial-No. 034/604 - A 2775

Ref.: **S**-0006-Augs. either moving the signatures rectangular (upper level)

or just turning it 90° (lower level) – moving to the right

ex warehouse, completely rebuilt, load on truck

each € 9.000,-

**Any Kind of Conveyor-Belts, Conveyor-Curves, Shingle-Stream-Diverters
and Special-Arrangements of Belts, hardly used, available !**

on request

In-Line-Trimming-Units and -Trimming-Lines IV

1 NEUMANN & SCHUBERT-Trimming-Modul

Ref.: **S-003-GAugs.** for 8 pages signatures only

with infeed-belt and bump-turn, trimming-module with 2 knives
ex warehouse „as is and where is”

€ 5.500,-

1 +1 NEUMANN & SCHUBERT-Trimming-Modul

Ref.: **S-100-StaWu.** for 8 pages signatures only

with short infeed-belt, each module with 2 knives
ex warehouse, „as is and where is” load on truck

each € 1.000,-

1 LIEBE-HERZIG „ROTA-Schneider“-Trimming-Module „RS G 340“ - Serial-No. 246-766 (1989)

Ref.: **S-550-VArL.** for 32- and 48-pages-nespaper-signatures (fix size)

1. trimming-module with 2 rotating knives (separately available for €9.000,-)
1 special-bump-turn, reversible left or right (separately available for €3.000,-)
ex warehouse, very good condition, load on truck

€ 7.000,-

1 LIEBE-HERZIG „ROTA-Schneider“-Trimming-Line „RS-2V-540 E“ - made approx.1985

Ref.: **L-33-CHSab.** for 16-pages-signatures

1. trimming-module with 2 rotating knives, 2. trimming-module with 2 rotating knives
1 special-bump-turn connecting both modules,
ex warehouse, „as is and where is”, load on truck

€ 13.500,-

1 AMG Rotary-Trimming-Module „RS 2000” - made in 2005, **brand-new**, only used for tests

Ref.: **S-555-GAugs.** for 48- and 64-pages-signatures

trimming-module with 2 rotating knives, each knife separately driven
ex warehouse, brand new, with warranty, load on truck
(bump-turns and 2. module available, too)

only € 20.000,-

In-Line-Trimming-Units and -Trimming-Lines V

1 FERAG „in-line“-Trimming-System - originally made and installed in 2000

Ref.: **S-333-FiOld.** for 72/96-pages-signatures

basically consisting of:

3 pick-up-stations „UTR-AU-SI-M“

1 trimming-drum „SNT-U“

2 delivery-stations „SWA-AB“

2 signature-control-stations „KEE“

1 chain-system connecting all above mentioned components

ex warehouse, „as is and where is“, load on truck

€ 89.000,-

or

completely overhauled, up-dated and modified to the local requirements

by a technician authorized by FERAG

about

€ 130.000,-

1 FERAG „off-line“-Shingle-Feeder (re-shingling-unit) - Type: „R8-B“ - Serial-No. 5158

Ref.: **S-335-FiOld.** Machine-No. 935.524.1 – originally made and installed in 1994

to be used with any rotary-trimmers „off-line“

ex warehouse, „as is and where is“, load on truck

€ 5.500,-

or

completely overhauled, load on truck

€ 8.000,-

Stackers and Compensating-Stackers

Ref.: S -1122-ABend.	1 BALDWIN-Stacker „SOV 128“ - Nr. 216/1987 for 2 shingle-streams side-on-side	€ 7.000,--
Ref.: S -1123-ABend.	1 BALDWIN-Stacker „SOV 128“ - Nr. 214/1987 for 2 shingle-streams side-on-side	€ 7.000,--
Ref.: S -1115-BasGri.	1 BALDWIN-Stacker „MEGATRONIC 108“ - Nr./1991for 1 shingle-stream	€ 6.000,--
Ref.: S -0007-ABend.	1 BROSS-Shingle-Stream-Diverter (8 pages into 2x4 pages) suitable to any 8-page-press respectively to a „SOV 128“-Stacker	€ 4.500,--
Ref.: S-Er -1160-GAugs.	1 MÜLLER-MARTINI-Compensating-Stacker „CS 70“ - 99.33215/1992, like new	€ 21.000,--
Ref.: S -1161-KepWei.	1 MÜLLER-MARTINI-Compensating-Stacker „338-CS 70“ - 9.928.592	€ 12.500,--
Ref.: S -1163-LaWan.	1 MÜLLER-MARTINI-Compensating-Stacker „338-CS 70“ - 97.01835.B/1995	€ 15.500,--
Ref.: S -1163-LaWan.	1 MÜLLER-MARTINI-Compensating-Stacker „forte“ - KA97.02866/1998	€ 17.000,--
Ref.: S -1180-Augs.	1 HARRIS-RIMA-Compensating-Stacker „RS 2510/13“ - Nr. 25767/10 (12/84)w	€ 16.500,--
Ref.: S -1181-Augs.	1 AM GRAPHICS-Compensating-Stacker „SL 047 G“ - Nr. 261.94	€ 13.500,--
Ref.: S -1280-RoWei.	1 GÄMMERLER-Compensating-Stacker „KL 501/1“ - A 9471 - Nr. 122/5376	€ 19.500,--
Ref.: S -1280-Forch.	1 GÄMMERLER-Compensating-Stacker „KL 501/1“ - A 3999 - Nr. 079-5180 (03/94)	€ 15.500,--
Ref.: S -1282-GAugs.	1 GÄMMERLER-Compensating-Stacker „KL 513/1“ - Nr. 1662/1232/1271 (12/99)	€ 22.500,--
Ref.: S -2180-GAugs.	1 CIVIEMME-Log-Stacker/Bundler „ST 420/100DX“ - Nr. 1229 1711/1 together with fully automatic working palletizer „PL 86/100“ (all made in 2000)	€ on request
Ref.: S -2181-GAugs.	1 CIVIEMME-Log-Stacker/Bundler „ST 420/100DX“ - Nr. 1229 1711/2 together with fully automatic working palletizer „PL 86/100“ (all made in 2000)	€ on request

Most of the stackers are re-built and like new ! Ask for pictures !

Auxiliary Equipment for Sheet-Fed- and Web-Presses

FALK-, BALDWIN- and TECHNOTRANS-Circulators and Refrigerated-Circulators

any size, any capacity, new or second-hand, as is or rebuilt, for example

S	FALK-Water-Preparation-System , Serial-No 014697 / 4.2.020	€	2.000,--
S	BALDWIN „AUTOMIX 2225 S” Serial-No 2209 /..... with cabinet	€	1.800,--
S	BALDWIN „AUTOMIX 225” Serial-No 2738 /..... with cabinet	€	800,--
S	BALDWIN „AUTOMIX 225” Serial-No 10129 / .. with cabinet	€	800,--
S	3 units BALDWIN „CWL 604“-circulators – Serial-No. 18281/1994 with BC 703 and with floats	each €	900,--
HS	BALDWIN-„RCWL 851-100-060 L“ - Serial-No. 5249 /1998 with float, with BC 703, with venturi	€	4.900,--
HS	BALDWIN-„RCWL 851-100-060 L“ - Serial-No. 5689 /1999 with float, with BC 703, with venturi	€	4.975,--
HS	BALDWIN-„BASICLINER 1,0 L“ - Serial-No./2000 with float, with BC 703, with venturi (new)	€	4.500,--
HS	BALDWIN-„BASICLINER 1,0 L“ - Serial-No. 7608/2005 with float, with BC 713, with venturi (g)	€	3.000,--
HS	BALDWIN-„BASICLINER 1,5 L“ - Serial-No. 9822/2007 with float, with BC 713, with venturi (w)	€	3.500,--
S	BALDWIN „FF 862-050“-refrigerator to be added to standard-circulators	€	2.000,--
S	BALDWIN „FF 863-075“-refrigerator to be added to standard-circulators	€	3.000,--
S	BALDWIN „RCWL 831-200-100 L“ - Serial-No. 13593 /1990 with 3 pumps, with float + venturi	€	5.000,--
S	BALDWIN „RCWL 831-400-200 W“ - Serial-No. 18282 /1994 with BC 730 and with float + venturi	€	9.000,--
S	BALDWIN „RCWL 851-600-200 W“ - S-No. 118/1991 with BC 703 and float (new technology)	€	9.000,--
S	BALDWIN-„RCWL 831-350-200 W“ - Serial-No. 1932 /1984 with BC 703 /16682	€	9.500,--
S	BALDWIN-„RCWL 831-600-200 WA” - Serial-No. 12041 /1990 with BC 740/32291	€	11.500,--
HS	TECHNOTRANS „FK 1-2000-1“ - Serial-No. 1516/1993 incl. Doser for pre-mixing and float	€	5.500,--
S	TECHNOTRANS „VK 1/16 W“ - Serial-No. 170038/1987 incl. Doser 2 for pre-mixing and float	€	5.000,--
S	TECHNOTRANS „VK 1/16.000-4“ - Serial-No. 10458/198... incl. Doser 2 for pre-mixing and float	€	4.500,--

Further Circulators and Refrigerated Circulators on Request

LINCOLN-/BETZ-Ink-Pumps for automatic ink-level-systems and hand-filling-stations

for 200-kg-drums as well as for 300-kg-containers and 1.000-kg-tanks

approx. €1.200,-- €1.600,-- €2.400,-- each

Mailroom-Equipment and Packaging-Machines I

(please, look also into our Stocklist "B" for Bindery-Equipment)

1 MÜLLER MARTINI-Inserting-Machine „227” - Serial-No. 934640 - made in 1980

Ref.: S-062-GrieBa. for 1 main- and 3 inserting-products

incl. compensating-stacker „231“ - Serial-No. 934640-A879

in good working condition, „as is and where is“

€ 5.500,-

1 MÜLLER MARTINI-Inserting-Machine „BiLiner 308” - made in 1994 - Serial-No. 99.2546406 0261

Ref.: S-062-RoWei. for 1 main- and 3 inserting-products (also for „inline-feeding“)

incl. compensating-stacker „310 C 30“ - Serial-No. 97.02493

still in production, „as is and where is“

€ 27.500,-

1 MOSCA-Cross-Strapping-Machine „RO-TRX-4” - made in 1989

Ref.: S-123-KreiWei. „as is“ or „overhauled“

€2.000,- or

€ 3.500,-

1 MOSCA-Soft-Strapping-Machine „ROM-P2” - Serial-No. 42180 / 1997

Ref.: S-875-Urb. „completely overhauled by MOSCA in 2008“

€ 2.250,-

1 MOSCA-Soft-Strapping-Machine „ROM-P2” - Serial-No. 42180 / 1997

Ref.: S-876-B&D. „in perfect working-condition“

€ 1.350,-

1 CYKLOP-AMPAG-Cross-Strapping-Line „SUB 1750” - Serial-No. 1930/1932, made in 1997

Ref.: S-124-Limb. „overhauled and tested“, like new

€ 5.000,-

1 Complete Foil-Wrapping + Cross-Strapping Packaging-Line, in very good working-condition

Ref.: S 1111 Forch. **1 WAMAC-Foil-Wrapping-Machine „PWA 5000 : 10“** - Serial-No. 046/4664 - made in 1995

foil-width max. 500 mm, fully automatically working

2 SCHNEIDER OZGA-Strapping-Machines „SO 1750“ - Serial-No. 1930/1932 - made in 1997

with a turn-table in between to turn the piles 90° after first strapping

on request

1 SOLLAS-Foil-Strapping-Machine „BANDUM 25“ - Serial-No. 002-006 - made in 1986

Ref.: S-141-GAugs. for strapping small packs, single books etc. semi-automatically or manually working

perfect technical and optical condition, partially overhauled „ex workshop LOT“

€ 2.550,-

1 Pallet-Stretcher - semi-automatically working - made in 1995

Ref.: S-150-TCTüb. for stretching goods stacked on pallets up to 1.500 mm

€ 2.100,-
